home page: http://www.aczoom.com/tools/cdinsert/

Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.

4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title “tab”, on the tray insert, is for CD case with a transparent tray. Remove this “tab” if the CD case has an opaque tray.
6. Fold the left and right long narrow title“tabs” to a 90 degree angle, away from the main tray cover portion. If the right-most “tab” is retained for a transparent tray, fold that “tab” 90 degrees again, away from the title “tab” next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.

10. Please appropriately discard this portion and the scrap bits of paper.

## H. G. Wells

The History Of Mr. Polly

A funny and touching account of the imaginative Mr. Polly who, bored and trapped in his conventional life, makes a U−turn−−and changes everything.

H.G. Wells’ early life as the son of a semi−insolvent shopkeeper and as a draper’s apprentice fueled his novels of the lower middle class: The Wheels of Chance (1896), Kipps (1905), and The History of Mr. Polly (1910). These works evoke the desperation of apprentices, clerks, and small traders in their monotonous toil behind shop counters. And, like Mr. Polly, his protagonists make a break from their mundane lives with more or less success.

H. G. Wells (1866−1946) was a prolific writer in history, general and science fiction, and politics. He was a lifelong socialist.
